Luke 19: The King Arrives

When Jesus arrived in Jerusalem for the final time, many people were incredibly excited. They waved branches pulled down from the trees and spread their robes on the ground for Jesus to walk on. Yet Jesus did not arrive on a war horse to take on the Romans, but a donkey—He is the servant King who would soon give His own life for His people...

"As he rode along, the crowds spread out their garments on the road ahead of him. When he reached the place where the road started down the Mount of Olives, all of his followers began to shout and sing as they walked along, praising God for all the wonderful miracles they had seen. "Blessings on the King who comes in the name of the Lord! Peace in heaven, and glory in highest heaven!"
